April 20, 2020

**WELCOME TO MANITOUWADGE!**

Thank you for choosing to purchase a new home in Manitouwadge. The community welcomes you and we hope that your move to our beautiful town was relatively uneventful (as moves go).

Our Township is big on community spirit and, as you will find, a very friendly and supportive community. We value and appreciate the services that are offered in the community, particularly right now during the COVID-19 pandemic. For more information on what the Township of Manitouwadge is doing with regard to COVID-19, please visit our website at [www.manitouwadge.ca](http://www.manitouwadge.ca)

If you are moving to Manitouwadge from outside of Northwestern Ontario, we ask that you follow the advice from the Thunder Bay District Health Unit [www.tbdhu.on.ca](http://www.tbdhu.on.ca) and self-quarantine for 14 days once you arrive in Manitouwadge. Please plan to bring with you enough food and medication to get you through the 14 days of isolation. If you require anything to be delivered, please contact Gord's Taxi at 807-228-1714 or Northern Delivery at 807-229-6181 who can provide delivery assistance to you so that you do not have to leave your home.

Once you have arrived and if you experience symptoms of COVID-19, such as a fever, new cough or difficulty breathing, please contact Telehealth at 1-866-797-0000 who will then advise you on how to access Santé Manitouwadge Health for further information. For more information about Santé Manitouwadge Health, please visit: [www.mh.on.ca](http://www.mh.on.ca)

We look forward to meeting you when we are once again able to gather for many of the wonderful community events coordinated throughout the year!

Until then, please stay safe and help us keep our most vulnerable residents safe also.

Sincerely,

Owen Cranney, Acting Chief Administrative Officer  
Township of Manitouwadge
