

Annual Household Hazardous Waste Collection

When: Saturday; September 26TH, 2020

Time: 10:00 AM to 2:00 PM

Where: 11 Sault Road, Public Works Yard

Bring us your paint, propane tanks, batteries, nail polish remover,
Cleaning solutions, moth balls, solvents, glue, drain openers,
Wood finish, aerosol cans, bleach, fertilizers, pesticides, herbicides,
Fluorescent light bulbs, enamel, brake fluid, varnish, antifreeze,
Disinfectants, ammonia, driveway sealer, car care products,
de-icer, butane lighters, lacquer, photographic chemicals,
air freshener, ink, shoe care products, peroxide, oven cleaner,
unused prescriptions.....

- **Keep all liquids in original containers**

Look for these symbols to help you identify hazardous wastes. Any of these symbols, in any of the borders shown, tell us an item is hazardous. Don't throw the waste in the garbage if you see the symbol!

If you have any questions, or are unsure of the materials being accepted,

Please call the Town Office at 826-3227, ext. 230
