### **Objectives and Purpose**

This is the second Annual Accessibility Status Report update for the Township of Manitouwadge's Multi-Year Accessibility Plan. In 2016, the Township released its Multi-Year Accessibility Plan in accordance with the *Accessibility for Ontarians with Disabilities Act (AODA)* and the Integrated Accessibility Standards Regulation (Ontario Regulation 191/11). The plan outlined the Township's strategy to prevent and remove barriers to accessibility, which included how phased-in requirements under the AODA will be met.

This status report is to make the public aware of the Township's progress with regards to the 2016-2021 Multi-Year Accessibility Plan to prevent and remove barriers and meet the requirements under the AODA.

### **Compliance Reporting**

To date, the Township of Manitouwadge has filed two Accessibility Compliance Reports with the Accessibility Directorate of Ontario under the Ministry for Seniors and Accessibility, and is prepared to submit its 2020 Report, as required under the AODA.
