Mayor John MacEachern

Margaret Hartling, CAO/Clerk-Treasurer

August 22, 2019

John MacEachern
Mayor
Township of Manitowadge
1 Mississauga Dr
Manitowadge, ON P0T 2C0

Dear John MacEachern,

The 2019 federal election is fast approaching, bringing public discussion and debates on many issues affecting the public and all municipalities.

When the Liberal government led the latest public review on the future of Canada Post, several municipalities became actively involved in the process. As a result, the government decided to maintain door-to-door delivery and immediately stop the rollout of community mailboxes.

However, there is nothing to stop a new government from bringing those plans, and other service cuts, back into play. Further, Canada Post's indifference towards climate change may have direct repercussions on all Canadians.

Did you know Canada Post has the largest public fleet of vehicles in the country, with over 13,000 vehicles travelling over 96 million kilometres yearly?

In the run-up to the federal election, we urge you to question the political parties on their intentions for Canada Post, and insist they make clear, public commitments regarding the following issues:

- Establishing postal banking to offset the loss of financial services in many communities;
- Creating an ambitious climate change action plan for Canada Post;
- Maintaining door-to-door mail delivery;
- Preserving our universal and public postal service;
- Maintaining rural post offices.

More information is available at deliveringcommunitypower.ca.

Sincerely,

Jan Simpson

Michael Mantha MPP/député
Algoma-Manitoulin

September 4th, 2019

RECEIVED

OPEN LETTER

SEP 11 2019

THE CORPORATION OF THE
TOWNSHIP OF MANITOUWADGE

Hon Christine Elliott
Minister of Health
5th Floor
777 Bay St.
Toronto, ON M7A 2J3

RE: PROVINCIAL CUT TO ADSAB SERVICES

Dear Minister Elliott;

The ongoing cuts to health care funding and social services in this province has gone beyond unacceptable. The government is looking at restructuring the Algoma District Administration Board, which would mean the district communities' would have less staff members and ultimately it would likely affect service levels. The Algoma District Services Administration Board (ADSAB) delivers and provides oversight of vital social and paramedic services to the communities within its jurisdiction. These services play a crucial role in people's lives and are a fundamental necessity to communities.

You may not be familiar with Northern Ontario, but distant hospitals, harsh winters and bad roads are all factors that need to be taken into consideration. Some of these communities are over 100km from the nearest hospital thus meaning that it takes over one hour to seek medical attention. It will absolutely make a difference between life and death.

Reducing services is simply not the answer. Health care has to be a high priority function of our government. Health care is a right, not a privilege. Where you live and how much money you make should not affect your access to care.

Minister Elliott, I urge you on behalf of rural and small communities and my constituents, do not proceed with the amalgamation of the Boards . Many municipal leaders shared their concerns with our office regarding the detrimental effects this would have. I hope you take heed to their voices on this urgent matter.

Sincerely,

Michael Mantha
MPP/député, Algoma Manitoulin

Keith Bell, CEO
Algoma District Service Administration Board
1 Collver Road,
Thessalon, ON
P0R 1L0

Dear Keith:

RE: Provincial Cuts to Services

Over the past 20 years, the Algoma District Service Administration Board has played a pivotal role in providing paramedic and social services (children's services, housing services and Ontario Works) to the Algoma region and specifically White River. The Township of White River has valued the relationship that has been built.

The Township of White River believes that the delivery of services by the ADSAB has met the needs of the community adequately in situations where the community that has been economically depressed at times and in other instances in a dramatic economic upswing.

We are concerned with the announcements of cuts to DSAB's that service levels will be cut, especially in our small communities. We believe that current levels of service delivery are adequate, but even small changes to our service delivery levels and/or model will adversely affect the quality and speed of care in White River.

White River is nearly 100 km from the closest hospital, with very harsh winter weather. Should service levels diminish there could be fatal consequences caused by delays in ambulance attendance at the scene of an accident or a medical emergency.

The Mayor and Council for the Township of White River are very interested in discussing further, any plans to reduce the service to our community. An open and honest discussion may also help us all identify cost savings measures that may work in our smaller communities. Please contact the CAO, Tina Forsyth, at any time to discuss any issues further.

Sincerely,

Angelo Bazzoni

Attn: Mr. Keith Bell
Chief Administrative Officer

RE: Service Levels

Dear Mr. Bell:

I am writing in earnest about the potential cuts in levels of service provided by the Algoma District Services Administration Board to our Community as well as to the communities in our immediate area.

Being a municipality, we know well the challenges of working with a limited budget and we understand the pressures you are facing; but frankly, there are lives at stake - there are individuals who will likely end up on the street, or end up turning to drugs or alcohol if they lose the supports they have in place.

ADSAB claims, on their website, to deliver "vital paramedic and social services". Yes, they are indeed vital services, which is why they cannot be cut. These are core services – people are depending on you.

The Ford government is taking some dangerous steps by threatening to cut services to some of the most fundamental and necessary sectors. These services, Childcare, Housing, Paramedics and Ontario Works are important everywhere, but they are imperative to our small, somewhat isolated communities. For example, Hornepayne is a one hour drive, minimum, to the closest community, one of which does not even have a hospital. Waiting over an hour for an ambulance could very well mean the difference between life and death.

The recent addition of a CT Scanner at Notre Dame Hospital in Hearst brings with it a greater need for land ambulance services – we, in the north, have finally managed to

obtain some technologically advanced diagnostic equipment close by – we must make the best use of this as possible and we will need your help to do so.

The Provincial government needs to recognize that the budget cuts it is imposing are counterintuitive to ADSAB's Vision and Mission – "Strengthening the social, health and economic well being of the citizens [you] serve" by "providing effective and efficient social and paramedic services that are responsive to diverse individual and community needs". If services are cut, ADSAB will no longer be able to uphold these values, the values that have served and protected our residents for many years and, I'm sure, that you take pride in upholding. If you wish to retain your "quality paramedic and social services", reducing services is simply not the answer.

Living in an outlying location, we find we are often forgotten, or left out of planning initiatives. Locally, the effects of budget cuts are compounded and affect the very foundation of our municipality. Just when we are working at building our community up it seems as though we face the prospect of losing some services and/or supports. We cannot afford this. Our residents deserve more. We already face a housing shortage. Loss of services will be a deterrent to potential newcomers to the community. These basic services should be a right, not a privilege.

We respectfully ask that, not only do you give grave consideration to any cuts in our community, but that before any hard decisions that may negatively affect our community are made, that Mayor and Council be consulted. Perhaps we can work together to find mutually beneficial solutions to these issues.

I look forward to hearing from you.

Sincerely,

A handwritten signature in black ink, appearing to read 'Cheryl Fort', with a long, sweeping horizontal line extending to the right.

Mr. Michael Mantha, MPP
Algoma-Manitoulin
18 Mary Walk
Elliot Lake ON P5A 2A1

Dear Mr. Mantha:

Thank you for your letter regarding driver testing in northern communities. I appreciate the opportunity to respond.

The ministry and DriveTest are committed to service delivery improvements and responding to the public's service needs. Currently, the demand for road tests in northern communities has not exceeded capacity, however the ministry will continue to monitor transaction volumes and will make changes to hours of operation or consider additional driver testing facility locations as appropriate.

Travel Points offer road test appointments during operating hours and driver examiners are deployed to these locations based on the types of road tests scheduled. All requests for road tests can be met if applicants schedule an appointment. Commercial class road tests however, cannot be completed at a Travel Point on a stand by basis as commercial class examiners are only brought in when commercial class tests are booked. Should you or any of the Mayors require further information or assistance in scheduling classified road test bookings, please contact DriveTest's Relationship Manager, Shaun Arruda at sarruda@drivetest.ca.

The ministry and DriveTest have taken weather conditions into consideration when establishing Travel Point hours of operation. Due to the nature of the winter conditions, DriveTest does not offer services in this geographical region from December to April.

.../2

Thank you again for writing and for this opportunity to respond.

Sincerely,

Caroline Mulroney

New Center Grand Opening

Remembrance Day 2019

Distinguished Guest,

With *extreme* excitement, the Board of the Manitouwadge Golden Age Center invites you to join with us as we "officially" open the doors to our new Center on Monday, November 11, 2019.

The MGAC has partnered with our Legion Branch to present the following program:

- 9:00 – 10:30 am** **Continental Breakfast – MGAC, 40 Manitou Rd.**
- 10:30 am** **Procession from Center, via cenotaph, to
Remembrance Day Service at Bethany Chapel**
- 2:00 pm** **Official Grand Opening of the MGAC**

Your presence at this small-town occasion would be most appreciated. Kindly RSVP by Sept. 27 to Maggie Schut, Director of Public Relations & Hospitality (res) 807-826-4626, email: barnowl26@hotmail.com She will be more than happy to assist with any requirements you may have.

→ with who is attending. Thanks.
M.S.

Until then, with respect

Phil Minty, President

THE CORPORATION OF THE TOWNSHIP OF MANITOUWADGE

ADMINISTRATION REPORT

SUBJECT: Surplus municipal equipment		REPORT NUMBER: 2019-011
PREPARED BY: Randy Barnes, Public works Superintendent		PAGE 1 OF 2
DATE: September 25, 2019	REVISION DATE:	
MANAGER SIGNATURE: 	FOR CONSIDERATION: OPEN SESSION <input checked="" type="checkbox"/> CLOSED SESSION <input type="checkbox"/>	
CAO/CLERK-TREASURER SIGNATURE: 		
REFERRED TO:		
ATTACHMENTS:		

BACKGROUND: Over the last few years various departments have replaced and or suspended the use of some municipal equipment and vehicles.

COMMENTARY: Currently there are 11 pieces of municipal equipment that need to be declared surplus, in the past we have used the online auction site Govdeals to dispose of municipal equipment.

FINANCIAL: The revenue from the sale of the equipment would go into general revenue.

ACCESSIBILITY IMPLICATIONS: None

IN CONSULTATION WITH: Owen Cranney, Fire Chief/CBO

Shelley Fergusson, Director community services

RECOMMENDATION: it is the recommendation to declare all listed equipment surplus, and list it for sale with the Govedeals website.

Surplus equipment

1999 International garbage truck (replaced in 2017)(#171)

400 kw generator (removed from water treatment plant 2018) (#149)

150kw generator (removed from pump house $\frac{3}{4}$ in 2015) (#148)

2002 Dodge $\frac{1}{2}$ ton (#150)

1996 Daewoo dozer (# ???)

1996 in box sander unit (discontinued use in 2011)

199? Loader broom attachment (replaced in 2018)

1999 Chev $\frac{1}{2}$ ton (former by-law truck)

Tenco Snowblower (old airport unit #162)

Bombardier Groomer (old ski hill Groomer #219)

International tractor (old golf course unit 1959?)
